

COBRA HEAD LED Street Lamp

90W
95 CRI

BENEFITS

90% energy savings over incandescent
High luminance & low power consumption
Super long life and simple installation
Beam Angle-140°×85°

LED Greenlight 90W Cobra Head LED Lamp
SKU options:

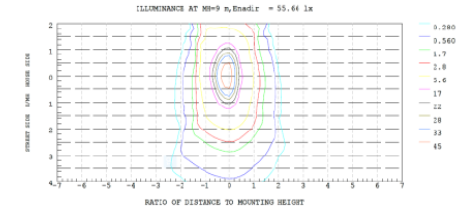

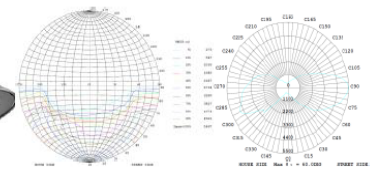

MODEL NUMBER	CCT
LGL-45-90-T2-95-1	(CCT=4500K)
LGL-50-90-T2-95-1	(CCT=5000K)

SPECIFICATIONS

average wattage	90 watts
luminous efficacy (lm/W)	>110
input voltage	100-277 VAC
color temp (ANSI)	4500K, 5000K
CRI (color rendering index)	95
Net weight	7.3 Kg
luminous flux (lumens)	9900
beam angle	140°×85°
dimensions	L620*W360*H150mm
life span	> 100,000 hours
operating temperature	-40°C - 65°C
ratings	IP66 applications
warranty	10 year non prorated warranty
certification	TUV, RoHS
driver type	UL class 2 Internal Driver
power factor	>0.9
total harmonic distortion	7%
options	Photocell and SMART controls
dimnable	YES-optional
shell material	AL+PMMA+GLASS
